

~~After~~

After I'm dead, I'll haunt your  
every day lives until you quit that  
fucking company. Ah who am I kidding,  
I don't have the patience for that.  
I'll just break everyone in your body  
and then have you watch me drain every  
ounce of blood out of your fucking bodies.  
Drop dead you worthless fuckers.

DROP

FUCKERS
